

MELTECA NATIONAL AVAILABILITY GUIDE

The Availability Chart below highlights the made-to-order decor and sheet size availability for Melteca. It also highlights Formica and Laminex HPL decor matches, samples and edging options, plus the national stock panel offer for the Auckland, Wellington and Christchurch Distribution Centres. Stocked decors listed are available on the nominated substrate, in the recommended finish and as single sheets. Order confirmations can be either faxed or emailed, please call customer service on 0800 303 606 to change. Alternatively use NetStore for online ordering, account, price and order enquiries. For more information and an application pack, please contact netstore@laminex.co.nz.
